## Sensorist partner up with the biggest Pharmacy supplier in United Kingdom.

Sensorist, have made an exclusive agreement with Denward Manufacturing Ltd in UK within the Pharmacy sector. Denward Manufacturing Ltd is the leading supplier of specialist products in the Pharmacy sector, with a long history going back to 1964. The deal will make Sensorist products even more accessible to Pharmacy businesses across the country.

"Through the agreement with Denward Manufacturing Ltd, we will get a much better exposure within the Pharmacy market in UK. By introducing the brand new OEM Pharmacy solution "Cold Chain" a wireless sensor temperature monitoring system in UK with Denward will Sensorist keep increasing visibility and sales momentum. It now becomes easier for Sensorist to introduce new products, and it will be easier to participate in bigger projects. We are confident that this agreement will further strengthen our position as the preferred partner in the field of IoT easy-to-use wireless temperature monitoring solutions" says Stiig Larsen, Sales Director, Sensorist.

Denward was founded in 1964 as a family run supplier of Medical Equipment and Services throughout the UK and Ireland. Denward specialize in the Manufacture of drug storage and care equipment as well as supplying specific products and services such as temperature monitoring, mapping, vaccine refrigeration, in-house calibration and record keeping.

Richard Halfhide, Commercial Director at Denward Manufacturing Ltd adds: "The agreement with Sensorist is a great development for Denward. The Cold Chain products gives us the product we have been looking for to cover the fast growing temperature monitoring market within the Pharmacy sector. Sensorist have a truly innovative product for wireless monitoring of temperature, humidity for both small and large enterprise business solutions. We now have a complete setup in our offices, we can demonstrate the features of the system either in person or online. There will also be an opportunity to get the Cold Chain products presented by our Sales Consultants all over UK".

The agreement between Sensorist ApS and Denward Manufacturing Ltd takes immediate effect.
